1. IMPORTANT INFORMATION AND WHO WE ARE

A. WHO WE ARE

- 1.1. ‘**FinPros.com**’ is a domain owned and operated by ‘**FinQuotes Financial (Seychelles) Ltd**’, a company registered in Seychelles with company registration number: 8429300-1, having its registered office at CT House, Office 9A, Providence, Mahé, Seychelles.
- 1.2. The Company is regulated by the Financial Services Authority (‘**FSA**’) of Seychelles, as a Securities Dealer with License number: SD087.

B. PURPOSE OF THIS COOKIES POLICY

- 1.3. Our ‘**Privacy Policy**’ explains our principles when it comes to the collection, processing, and storage of your information. This ‘**Cookies Policy**’ specifically explains how we, our partners, and users of our services deploy cookies, as well as the options you have to control them.
- 1.4. This cookies Policy should be read together with our ‘Privacy Policy’, in particular, **paragraph 7** thereof: ‘**Use of Cookies and Other Tracking Technologies**’.

2. WHAT ARE COOKIES?

- 2.1. Cookies are small pieces of data, stored in text files that are stored on an electronic device when websites are loaded in a browser. They are widely used to “remember” you and your preferences, either for a single visit (through a “**session cookie**”) or for multiple repeat visits (using a “**persistent cookie**”). Persistent cookies are cookies saved on your computer and that are not deleted automatically when you quit your browser, unlike a session cookie, which is deleted when you quit your browser. Persistent cookies ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in.
- 2.2. Cookies may be set by the site that you are visiting (known as “**first party cookies**” - only that website can read them), or by third parties, such as those who serve content or provide advertising or analytics services on the website (“**third party cookies**”).

‘FinPros.com’ is a domain owned and operated by ‘FinQuotes Financial (Seychelles) Ltd’, a company registered in Seychelles with company registration number: 8429300-1, having its registered office at CT House, Office 9A, Providence, Mahé, Seychelles. ‘FinQuotes Financial (Seychelles) Ltd’ is regulated by the Financial Services Authority (‘FSA’) of Seychelles as a Securities Dealer with License number: SD087.

- 2.3. Both our website and HTML emails may also contain other tracking technologies such as “**web beacons**” or “**pixels**.” These are typically small transparent images that provide us with statistics, for similar purposes as cookies. They are often used in conjunction with cookies, though they are not stored on your computer in the same way. As a result, if you disable cookies, web beacons may still load, but their functionality will be restricted.

3. HOW WE USE COOKIES

- 3.1. We use cookies for a number of different purposes. Some cookies are necessary for technical reasons; some enable a personalized experience for both visitors and registered users; and some allow the display of advertising from selected third party networks. Some of these cookies may be set when a page is loaded, or when a visitor takes a particular action (clicking the “**register**” or “**login**” button on a page, for example).
- 3.2. Many of the cookies we use are only set if you are a registered user (to remember your preferences – such as user name, language, etc. – for a certain period of time, so you don’t have to log in every time, for example), while others are set whenever you visit our website, irrespective of whether you have an account.
- 3.3. For more information on the choices you have about the cookies we use, please see the Controlling Cookies section below.

4. WHERE WE PLACE COOKIES

- 4.1. We set cookies in a number of different locations across our services. These include:
- On our website (our “**Site**” – <https://finpros.com>).
 - In the administrative dashboards of our websites.
 - On landing pages, we host.
 - In the emails we send.
- 4.2. Our website mostly uses “**first-party cookies**”. These are cookies set and controlled by us, not by any third party.

5. TYPES OF COOKIES WE USE

- 5.1. The **3 types of first-party cookie** we use are to:
- visitor preferences
 - make our Site operational

- gather analytics data (about visitor behavior)

A. VISITOR PREFERENCES

5.2. These cookies are set by us and only we can read them. They remember:

- if you have agreed to (or refused) this site's cookie policy
- if you have already replied to our survey pop-up (about how helpful the site content was) – so you won't be asked again

B. OPERATIONAL COOKIES

5.3. There are some cookies that we have to include in order for certain web pages to function. For this reason, they do not require your consent. In particular:

- **authentication cookies**
- **technical cookies** required by certain IT systems

C. AUTHENTICATION COOKIES

5.4. These are stored when you log in to our Site, using our authentication service. When you do this, you accept the terms of our [Privacy Policy](#).

D. ANALYTICS COOKIES

5.5. We use these purely for internal research on how we can improve the service we provide for all our users. The cookies simply assess how you interact with our Site – as an anonymous user (the data gathered does not identify you personally).

5.6. Also, this data is not shared with any third parties or used for any other purpose. The anonymized statistics could be shared with contractors working on communication projects under a contractual agreement with us.

6. THIRD-PARTY COOKIES

6.1. Some of our pages display content from external providers, e.g., YouTube, Facebook and Twitter.

6.2. To view this third-party content, you first have to accept their specific terms and conditions. This includes their cookie policies, which we have no control over.

6.3. But if you do not view this content, no third-party cookies are installed on your device. Third-party providers on our Site include the following:

8. OTHER TRACKING TECHNOLOGIES

- 8.1. We may use other, similar technologies from time to time, like web beacons, SDKs, pixels (or “**clear gifs**”) and other tracking technologies.
- 8.2. Pixels are tiny graphics files that contain a unique identifier that enable us to recognize when someone has visited our Site or, in the case of web beacons, opened an email that we have sent them. This allows us, for example, to monitor the traffic patterns of visitors from one page within our Site to another, to deliver or communicate with cookies, to understand whether you have come to our Site from an online advertisement displayed on a landing page or third-party website, to serve targeted advertisements to you and others like you, to improve site performance, and to measure the success of marketing campaigns.
- 8.3. We automatically place single pixel gifs, also known as web beacons, in every email sent by our registered users. These are tiny graphic files that contain unique identifiers that enable us and our registered users to recognize when their contacts have opened an email or clicked certain links. These technologies record each contact’s email address, IP address, date, and time associated with each open and click for a campaign. We use this data to create reports for our registered users about how an email campaign performed and what actions contacts took.
- 8.4. While you may not have the ability to specifically reject or disable these tracking technologies, in many instances, these technologies are reliant on cookies to function properly; accordingly, in those instances, declining cookies will impair the functionality of these technologies.

9. CONTROLLING COOKIES

A. YOUR RIGHT TO ACCEPT OR REJECT COOKIES

- 9.1. You have the right to decide whether to accept or reject cookies.
- 9.2. You may wish to restrict the use of cookies or completely prevent them from being set. Most browsers provide for ways to control cookie behavior such as the length of time they are stored – either through built-in functionality or by utilizing third party plugins. If you disable cookies, please be aware that some of the features of our service may not function correctly.

B. REMOVING COOKIES FROM YOUR DEVICE

- 9.3. You can delete all cookies that are already on your device by clearing the browsing history of your browser. This will remove all cookies from all websites you have visited. Be aware

‘FinPros.com’ is a domain owned and operated by ‘FinQuotes Financial (Seychelles) Ltd’, a company registered in Seychelles with company registration number: 8429300-1, having its registered office at CT House, Office 9A, Providence, Mahé, Seychelles. ‘FinQuotes Financial (Seychelles) Ltd’ is regulated by the Financial Services Authority (‘FSA’) of Seychelles as a Securities Dealer with License number: SD087.

though that you may also lose some saved information (e.g. saved login details, site preferences).

C. BROWSER CONTROLS

- 9.4. You can set or amend your web browser controls to accept or refuse cookies. You can set most modern browsers to prevent any cookies being placed on your device, but you may then have to manually adjust some preferences every time you visit a site/page. Moreover, some services and functionalities may not work properly at all (e.g. profile logging-in). Accordingly, if you choose to reject cookies, you may still use our Site, though your access to some functionality and areas of our Site may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

D. Managing and deleting cookies

- 9.5. To find out more on how to manage and delete cookies, visit aboutcookies.org. For more details on your choices regarding use of your web browsing activity for interest-based advertising you may visit the following sites:
- networkadvertising.org
 - optout.aboutads.info
 - youradchoices.com
 - youronlinechoices.eu

E. Mobile Devices

- 9.6. You can opt out of having your mobile device identifiers used for tracking, including tracking performed by us, by accessing the settings in your Apple or Android mobile device and following the most recent published instructions to adjust your settings to limit tracking. If you opt out, all data about you will be removed and no further data collection or tracking will occur. The random ID we (or our third-party partners) had previously assigned to you will also be removed. This means that if at a later stage, you decide to opt-in, we will not be able to continue and track you using the same ID as before, and you will for all practical purposes be a new end user to our system.

F. Removing Analytics and Customization Cookies

- 9.7. In order to understand better how our services are used, we monitor certain user activities that take place within our Site, including page views and clicks on any links used when managing a site via our dashboards.

'FinPros.com' is a domain owned and operated by 'FinQuotes Financial (Seychelles) Ltd', a company registered in Seychelles with company registration number: 8429300-1, having its registered office at CT House, Office 9A, Providence, Mahé, Seychelles. 'FinQuotes Financial (Seychelles) Ltd' is regulated by the Financial Services Authority ('FSA') of Seychelles as a Securities Dealer with License number: SD087.

- 9.8. We call each one of these actions an “event.” Analytics events are attached to your account with us and are handled via a first party system that we own and maintain. In general, we record the following data for each event: IP address, user ID and username, user agent, referring URL, timestamp of event, browser language, and country code.
- 9.9. We use this information to improve our products, make our marketing to you more relevant, personalize your experience, and for the other purposes described in our Privacy Policy.
- 9.10. You may opt out of our analytics program through your user settings. By doing so, you won’t share information with our analytics tool about events or actions that happen after the opt-out, while logged in to your account. Note that opting out does not disable the functionality of the actions we track – for example, if you publish a post, we will still have record of that (don’t worry!), but for an event or action after you opt out, we will not have other data associated with that action or event in the analytics tool.
- 9.11. Some analytics services we use, which place their own cookies or web tags on your browser, offer their own opt out choices. For example, you can opt out of Google Analytics by installing [Google’s opt-out browser add-on](#).

G. Do Not Track

- 9.12. Some Internet browsers – like Internet Explorer, Firefox, and Safari – include the ability to transmit “Do Not Track” or “DNT” signals. Since uniform standards for “DNT” signals have not been adopted, our Site and Landing Pages do not currently process or respond to “DNT” signals. We take privacy and meaningful choice seriously and will make efforts to continue to monitor developments around DNT browser technology and the implementation of a standard.
- 9.13. To learn more about “DNT”, please visit: [All About Do Not Track](#).

H. How to Control And Delete Cookies On The Most Commonly Used Browsers

- 9.14. An overview of how you can limit the cookies you receive via the he built-in controls in the most commonly used browsers, is set out below:

a. Google Chrome (Desktop)

- 9.15. Click the three-dot icon menu in the upper-right corner to get the Chrome menu, and select More tools > Clear browsing data. In the pop-up box, check off the third and fourth boxes to delete cookies and clear-cached images and files. Just pick a timeframe from the menu at the top.

- 9.16. To manage the cookies in Chrome, type "**chrome://settings/content/cookies**" in the omnibox (without the quote marks).
- 9.17. Tell Chrome to allow data from local sites you actually visit, only keep data until you close the browser, or block cookies altogether:
- (i) **First option:** Block all third-party cookies.
 - (ii) **Second option:** You can also set exceptions—if you block all cookies, you might nonetheless wish to allow them for, say, finpros.com, just so you do not have to re-type your password all the time.
